Sustainability in Practice: Reviewing Hitachi Digital Services' Strategy

Published: 3 June 2025 | Author: David Daoud

So I spent some time researching how Hitachi Digital Services runs its business-specifically through the lens of sustainability-and I have to say, I came away impressed with what the company does and how it does it. Sustainability shows up in the work itself: in the way they approach energy systems, rethink manufacturing, and build digital infrastructure that helps their clients operate more efficiently and responsibly.
