Issue 10: Compliance Gaps, Quarterly Insights, and Market Shifts

Published: 20 November 2025 | Author: David Daoud

There’s quite a bit happening across the compliance landscape, earnings season, and strategic partnerships that’s worth paying attention to:

Compliance Weaknesses Across the Electronics Chain

Recent findings from Basel Action Network and EPA’s settlement with Apple are evidence of environmental compliance gaps in the broad IT and ITAD industries. BAN’s investigation showed certain ITAD operators shipping e-waste to jurisdictions with import restrictions, while EPA cited Apple’s Santa Clara facility for hazardous waste violations involving solvent classification, emissions routing, and inspection gaps.
