Healthcare: Handling Retired Clinical Equipment Requires Specialized ITAD and Refurbishment Controls - U.S. Outlook

Published: 19 October 2026 | Author: David Daoud

Parkview Health’s October 16 agreement to acquire Ovation Healthcare provides a useful starting point for examining how equipment recovery services fit into hospital technology management. Parkview describes Ovation as a shared-services provider serving more than 500 healthcare organizations across 48 states, including independent and rural hospitals. Ovation’s published Technology Services include End User Computing, where the company says it oversees device lifecycle management, and Infrastructure Support covering servers and storage.
