# Education & Research: What Chicago Public Schools' ITAD Bid Reveals About Competing for Large Public-Sector Contracts

Published: 23 October 2026 | Author: David Daoud

Chicago Public Schools (CPS) wanted more than a recycling price quotation. Its October procurement for IT asset disposition (ITAD) services required a service-level agreement, a management plan, software documentation and compliance with NIST SP 800-88 Rev. 2 for data sanitization. For ITAD CEOs pursuing large public-sector accounts, the requirements illustrate how customers evaluate companies capable of delivering an ongoing technology lifecycle service.
